Installing the ClickView Plugin for Blackboard

The ClickView Plugin for Blackboard enables you to quickly and safely browse through your entire ClickView library, the ClickView Exchange and your own personal Workspace from within Blackboard Learn, making it easy to embed educational videos directly into your pages and share them with your students.

1 To install the ClickView plugin for Blackboard, first download it.

Download the ClickView Plugin for Blackboard

### ClickView Plugin for Blackboard

This plugin integrates with Blackboard and your existing Single Sign On so you can quickly browse through your entire ClickView library, the ClickView Exchange and your personal Workspace from within your LMS.

You can embed videos into your lesson plan with one click and use the fully featured ClickView Web Player to share educational videos with your students.
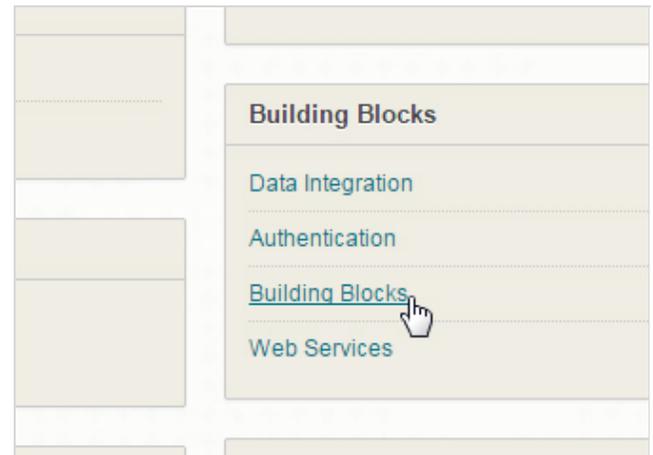

Download the ClickView plugin for Blackboard

▼ **Download**

2 Log in with an administrative account and then click on the 'System Admin' tab in the top right-hand corner of the screen.

3 Find and access 'Building Blocks' within the Administrator Panel.

Building Blocks

Data Integration

Authentication

Building Blocks

Web Services

4 Select 'Installed Tools'.

Building Blocks

Building Blocks

Installed Tools
Configure or Delete Building Blocks that were included with the system.

Proxy Tools
Manage and register Proxy Tools and define their Global Properties.

LTI Tool Providers
Manage and register LTI Tool Providers.

5 Click on 'Upload Building Blocks'.

6 Browse to the downloaded plugin and click on the 'Submit' button.

You will need to approve the changes to Building Blocks to continue.

7 If this is the first time you are installing the ClickView Plugin for Blackboard, you will need to change its availability for courses and organisations.

To do so, visit 'Tools' within the Administration Panel.

8 Find the ClickView Video Content Block section and turn its Availability to ON.

We also recommend you set the Scope of Change to 'New and existing courses and organizations'.

Remember to click the 'Submit' button when you're done!
